

☑ About us

➤ Company

txtNation is an award-winning solutions provider specializing in mobile billing and messaging. We empower businesses to send and receive premium SMS, and to leverage online and mobile payments via traditional and alternative billing channels. For nearly a decade, txtNation has built its reputation on delivering robust payment solutions backed by excellent support and value for money.

➤ The advantage

Our global reach means we can facilitate premium SMS, IVR and online billing on every continent. We take businesses through every stage, offering consultation, integration and long-term support, allowing you to make the most of our global connectivity. Our track record of global connectivity and personalized support empowers your business from day one. Global Reach, Personal Touch. It's our guiding mission.

➤ What we can provide

Focussing on sophisticated, ease-of-use solutions designed and supported by knowledgeable technical and customer support teams, txtNation has proved itself one of the most efficient and cost effective messaging, billing and content providers in the business. If you want to monetize your website, application, or campaign, we will have a solution tailored to your needs. Talk to us about the possibilities of leveraging SMS for communications and billing.

☑ Our solutions

➤ Our Gateway

Our Gateway gives you uniquely flexible options for putting premium and non-premium SMS into the heart of your business. Send and receive messages using a mature API and set up tailored solutions in no time. Get our global messaging connectivity in one place.

Connect to our Mobile Billing and Messaging Gateway.

➤ JunglePay

Adding a payment system to your website doesn't have to be difficult. With three payment options - mobile billing, phone billing and credit card - and easy installation, JunglePay can be customised to fit your website, mobile app, device or game. Plug-and-pay billing at its best.

Mobile Payments and more.

➤ mFUSION

mFUSION is a white-label platform for delivering robust, scalable mobile campaigns. From text-to-win competitions to lucrative, interactive messaging solutions, mFUSION has a wealth of uses to raise brand awareness and open up new sources of revenue. Get the best out of text.

Mobile Marketing made easy.

☑ Coverage

Our global reach means we can facilitate mobile messaging services across North America, Europe, Australia, Asia and Africa. We have developed strong partnerships with major industry leaders to ensure our solutions are compatible, well-connected and secure. We have hundreds of clients large and small on every continent who are already experiencing the txtNation advantage. Our coverage is the best in the business. Talk to us about the global possibilities.

☑ Support for you and for your customers

▶ Support

txtNation is fully committed to customer support, following massive investment in our support team. They work closely with senior members of our operations team to ensure that you and your consumers get the right answers, first time. Whenever an error occurs, it can be dealt with professionally and quickly. Our team can also help you with integration, technical advice and general consultation.

▶ Consultation

Our business development, sales and support teams work in tandem to get your mobile business off the ground. We believe that mobile messaging and online billing solutions from txtNation can boost your brand and your bottom line. Talk to us about your business and we will guide you step-by-step to leverage our solutions in the best way.

▶ Consumers

Not only can we assist you and businesses like yours, but we can provide help to consumers. If your customers use txtNation-powered messaging or billing, we will provide them with support and answer their questions. You don't need to invest in your own support team. We help you and your consumers, wherever they are.

☑ Control Panel

We have centralized our major functionality into one place. Our mature control panel, soon to launch in a sixth version, is an easy-to-use system for managing all aspects of your account and campaigns. Change your credentials, check revenues, download statistics, and modify the way your customers are billed or communicated with - in a few clicks.
